PROFESSIONAL SUMMARY

I am a Fashion Design student at UNJ with a strong interest in fashion styling, wardrobe, and visual storytelling. I am passionate about creating looks that support characters, concepts, and creative directions through clothing, accessories, and overall appearance.

I am interested in gaining professional experience in the fashion and entertainment industry, particularly in wardrobe and styling roles. I am eager to learn, collaborate with creative teams, and contribute to creating visually impactful projects.

EXPERIENCES

Vice Head

UFExUFY : LIFELINES | 2026 – Present

Responsible for coordinating multiple divisions including Event, Wardrobe, Model, and Security teams in supporting the overall execution of a large-scale fashion event consisting of a talk show, exhibition, fashion show, and press conference.

Key Responsibilities:

Event Coordination

- Assisted in managing the overall event flow, including talk show, exhibition, fashion show, and press conference programs.
- Coordinated with related divisions to ensure smooth event preparation and execution.

Wardrobe Management

- Managed wardrobe preparation processes by plotting, including designer outfit collection and multiple fitting sessions.
- Coordinated wardrobe arrangements for designers, guest stars, speakers, and MCs during fashion show and talk show events.
- Handled backstage wardrobe operations, including quick changes and outfit preparation during the event.

Model Coordination

- Conducted model agency research based on event requirements and budget considerations.
- Managed model preparation, including runway choreography, lineup, blocking, and model-to-outfit coordination.
- Coordinated model readiness and backstage flow during the fashion show.

Event Lead

UNJ Fashion Show | 2025

Led the organization and execution of a university fashion show project which covers managing overall event planning, team coordination, and production workflow across multiple divisions, including Logistics, Administration & Secretary, Publication & Documentation, Back of House, Wardrobe, Choreography, and Event Management.

Key Responsibilities:

- Coordinated cross-functional teams to ensure smooth preparation and execution of the fashion show.
- Managed production timelines, division workflows, and communication between teams.
- Oversaw wardrobe preparation, backstage operations, show flow, and performance readiness.
- Collaborated with creative teams to align the fashion show concept with the presentation of student collections.
- Monitored event operations from pre-production to event day.

Volunteer at Indonesian Fashion Week

As Fitter | 2024

Assisted the fashion show preparation process by supporting wardrobe and fitting operations for designers and models.

Key Responsibilities:

- Supported wardrobe preparation, outfit organization, and garment arrangement before the runway show.
- Coordinated with designers and models during fitting and backstage preparation.
- Helped and do Quick-change prepared and ready for fashion show execution.
